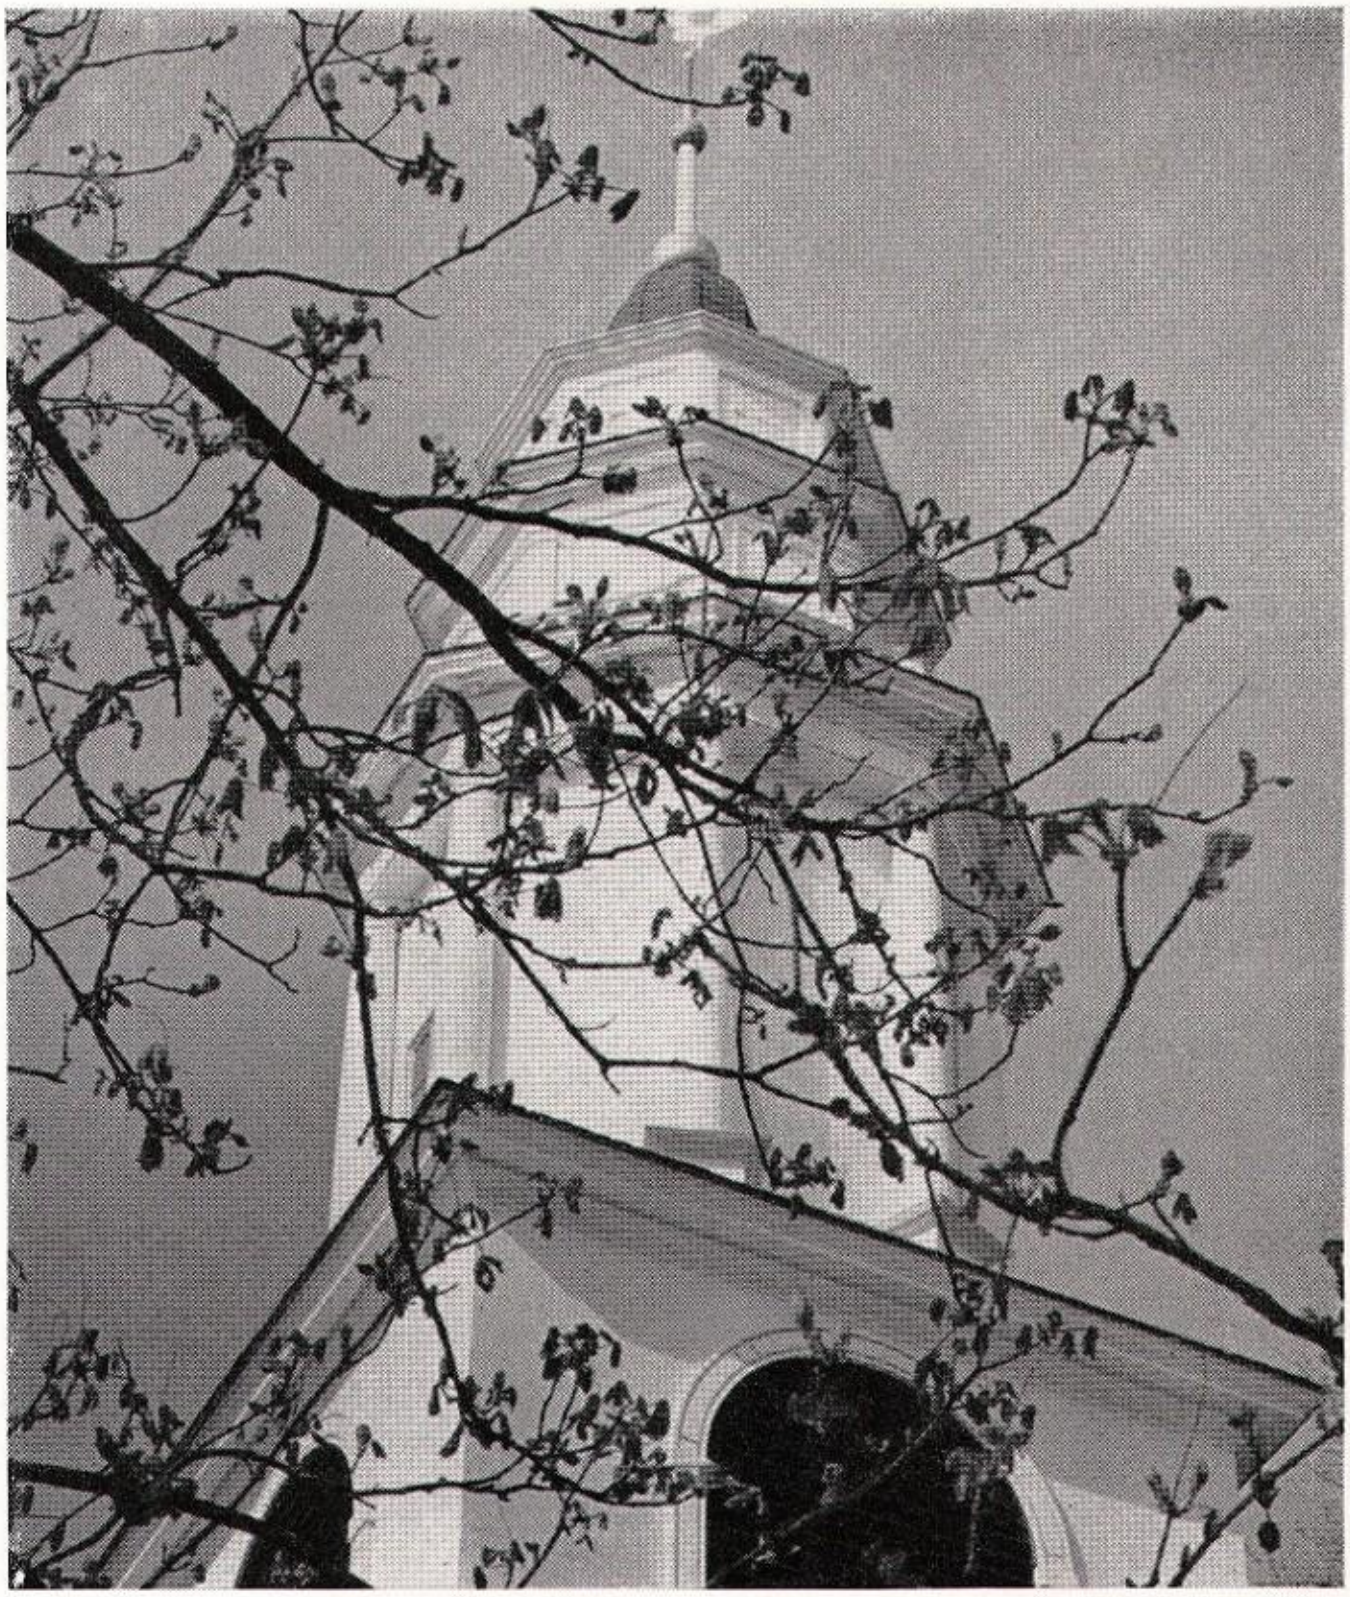
The Pocumtuck
1956

J. CLEMENT SCHULER

The Pocumtuck

Deerfield Academy, Deerfield, Massachusetts

1799 Volume XXIX 1956



FOREWORD

The four years from Freshman to Senior at Deerfield are but a moment in our lives, yet they will remain forever in our memories. It has been our aim in publishing the 1956 POCUMTUCK to reflect some of the ideals and to capture some of the memories that over the years have become a part of Deerfield.

DEDICATION

With the sudden death on March first of Edgar Duncan Nichols, the entire student body and all those who have known him over the years suffered a great loss. For twenty-one years, as faculty advisor to the POCUMTUCK, his good judgment and high sense of dignity have been reflected in this book. His loyalty and devotion to the best interests of the school were unfailing, and to its development he made a significant contribution. To his memory we respectfully dedicate this book.

EDGAR D. NICHOLS

1898 – 1956

GLEE CLUB

SINGING at Deerfield is probably the best liked form of entertainment and the Glee Club the most popular organization among the students. Under the direction of Mr. Oatley and the leadership of President Rick Lyman the Deerfield Academy Glee Club had a successful and interesting season. This year the twenty-two returning members introduced the club to the student body when they sang two hymns at the services of the First Church of Deerfield on Sunday, December 11.

The popularity of this organization is supported by the fact that over two-hundred juniors and seniors responded to the invitation to try out for the club. As is the custom in the tryout each boy sang a chorus of "Lord Jeffery Amherst" before all the other contestants for his section. As a result of the tryouts sixty-five boys were finally selected to form the new club. This included twenty-two seniors, twenty-one juniors, and twenty-two members from last years group.

The club began intensive rehearsals after Christmas Vacation. Every Tuesday and Friday evening the barn echoed with the refrains of some twelve songs which were being mastered by the club. On Sunday mornings the club held public rehearsals and at that time perfected their repertoire.

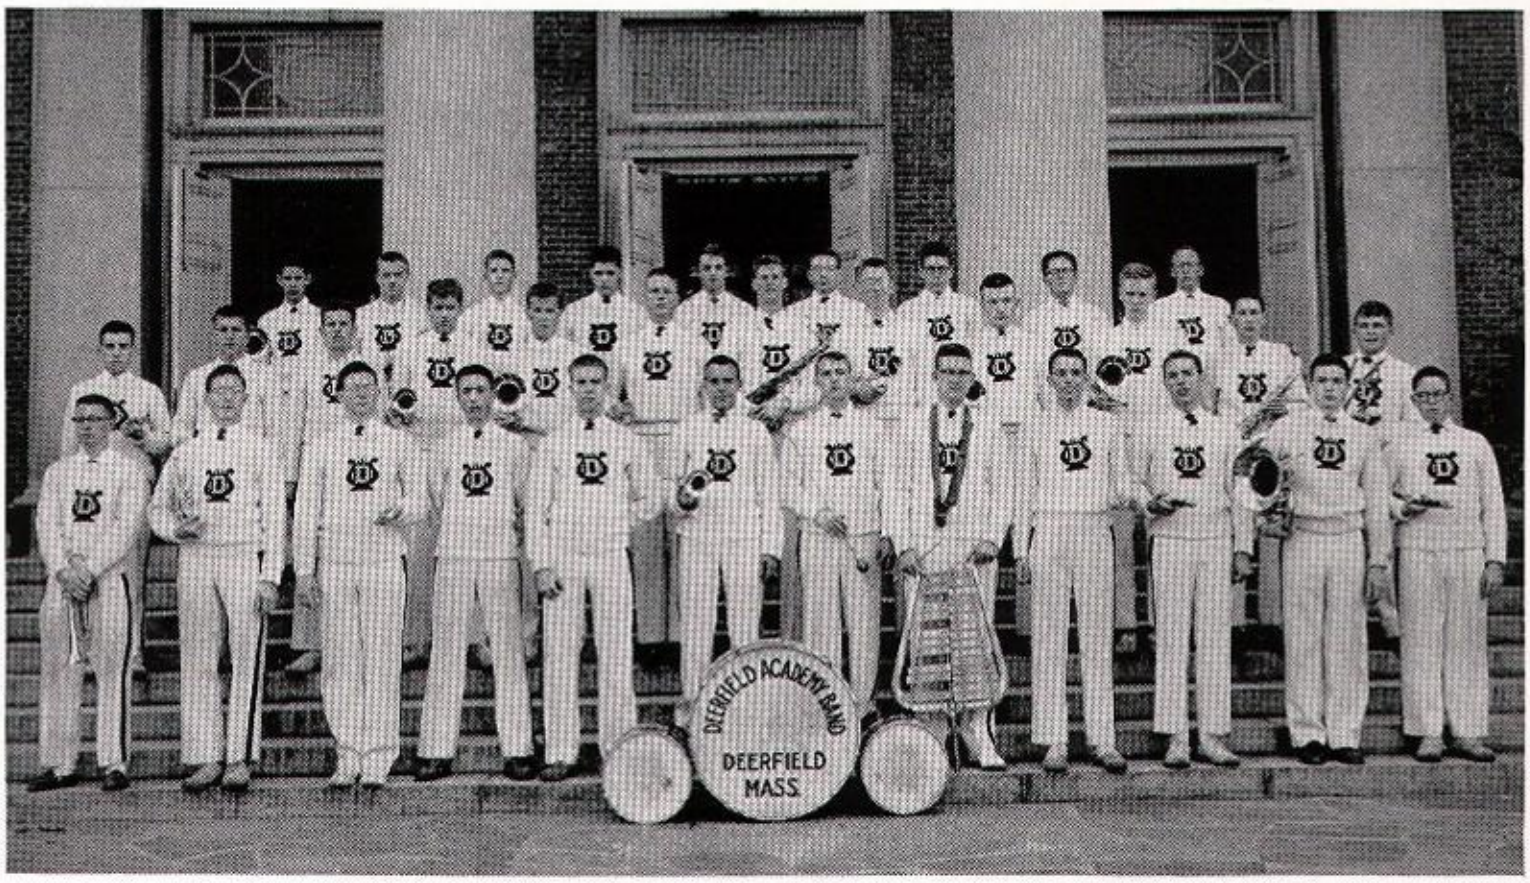
On Sunday, February 26, the season opened at the First Church of Deerfield. Then a week later, on March 4, the club sang at the Greenfield Second Congregational Church. The Northfield Festival on March 10 proved to be a highlight for the group in the Winter Term. The club was part of a six-school group of similar organizations from Kimball Union, Lenox, Mount Hermon, Vermont Academy, and Williston. The Deerfield section of the program opened with "O Bone Jesu" then "Come Again, Sweet Love" by Dowland. The two lighter numbers "From Boston Harbor"

and "Byeryezanka" were heartily received by the audience. This successful program closed with the combined glee clubs singing "March of the Peers" from *Iolanthe.*

After such a successful showing at Northfield the club needed little preparation for the next important concert at the Bushnell Memorial Hall in Hartford the Saturday after Spring Vacation. Choate, Hotchkiss, Loomis, and Taft, along with Deerfield, made up the fine evening's program. From the selection of the four Deerfield songs "Sanctus" and "From Boston Harbor" were especially enjoyed by the audience. To end the evening of vocal music, the five clubs joined in singing "O Bone Jesu", "Na Bahia Tem", and "Psalm 150" a beautiful religious piece. This concert clearly showed the fine attributes of the club which were so well displayed and shaped under the direction of Mr. Oatley. On April 16, for a little change in atmosphere, the club was guest of the Bancroft School for Girls in Worcester. The scheduled season for outside appearances closed with the annual concert and dance at Emma Willard School on May 3.

Probably the most anticipated concert, not only for the members of the club but the entire student body as well, is the one given on Spring Day night. This evening concert is one of the main pillars necessary in the success of the day, and "The Sons of Deerfield" sung by the glee club, student body, and alumni together brings the program to a fitting close. The final concert of the year comes at Commencement when the club reviews before many parents and relatives its repertoire for the season.

Many factors must be included in the success of this club. President Rick Lyman did a fine job in representing the organization. Head Manager Merrill Magowan and accompanist Barrie Wetstone proved to be of invaluable help. However, all the laurels must go to Mr. Oatley, director, who produced from the club an excellent quality of singing and poise. It is through the fine work of such a club as this year's Deerfield Glee Club that singing has become so dominant in school life.



BAND

TO provide an atmosphere of musical inspiration suitable for the green reaches of playing fields and the cheering masses surrounding the basketball court, as well as the critical ears of the concert halls, was the goal of this year's band. This they achieved through a diligence seldom found in similar organizations. The band constantly strove for a perfection of quality which became its hallmark.

Each Saturday of the home football season, drum-major Bill Cobb led the band in finest precision. The autumn air tingled with resonance as familiar strains echoed the victories of the varsity. As the dying autumn yielded to the onslaughts of winter, one could see the band trudging through the drifts on Mt. Hermon's gridiron as they faithfully echoed football's final victory.

At each home basketball game throughout the winter, a musical inspiration stirred the monotony of the term as Mr. Schuler, ably assisted by Bruce Cole, directed the band through striking instrumental arrangements. These, along with new invigorating marches and a Latin American number, cast an audience appeal seldom equalled. Climaxing the activities of the winter term was a patriotic pageant consisting of a seemingly endless medley of traditional American songs. The success of the pageant stimulated the production of a band record in the spring term.

A concert on Spring Day launched the band into the final term. One of the highlights of the spring was a joint concert with the Amherst College and University of Massachusetts bands. A concert and dance at Stoneleigh and the annual Memorial Day parade ended the year.

DEBATING

ONE of the most important activities at Deerfield is debating. There are three clubs that make up the debating system: the Senate, the Forum, and the Senior Council.

The Senate, one of the two intramural clubs in the debating scene, is headed by Terry Dobson with Michael Bradley as vice-president. The Senate's arch rival is the Forum. This is the larger of the two clubs and is headed by Jonathan Blake as president, Denis Turko as vice-president, and Dave Elliott as secretary.

Membership of the Senate or the Forum is acquired through participation in one of the numerous tryout debates held in the winter term. Only juniors and seniors are eligible in the tryout debates. However, each year, eight freshmen and sophomores are taken on as a result of the Freshman-Sophomore Debate. In this colorful event students in the respective classes try out for a team which is coached by a senior. As a result of their excellence they are taken on as members of one of the clubs. On November 17 the annual Town Meeting debate was held. There were eight debaters in total, four members of the Senate and four members of the Forum. Robert Milling, president of the Senior Council, was the moderator. In this debate Jerry Fessenden of the Forum and Jim Tripp of the Senate clashed over the topic that President Eisenhower should resign and Vice-President Nixon succeed him. Mike Bradley and Lloyd Semple kept the audience laughing as the former advocated returning Manhattan Island to the Indians while Denis Turko and Jack Allen returned to more serious things, discussing the relative merits of football and soccer. Last of all, the two presidents debated the question of a college for the scholastically qualified few, or for a greater number of students.

The third and most important debating club at Deerfield is the Senior Council. This is in effect the "varsity" of the three clubs and only the more accomplished debaters ever receive the honor of being elected as members. This club, with Bob Milling as its president, is the only club to have an outside schedule. This year there were four outside debates in all. Against Taft on January 20 Deerfield posted a dual victory. Bob Milling, Terry Dobson, Bill Boyle, and alternate Mike Pochna won unanimously at Deerfield, upholding the affirmative of the national college topic, "Resolved: That the non-agricultural workers of the United States should be paid a guaranteed annual wage." The negative team debating Taft consisted of Jack Allen, Matt Gardner, Jon Blake, and Jim Tripp as alternate. They returned with a 2-1 victory. The next debate was on February 2 when the negative team of Matt Gardner, Mike Bradley, Bob Milling, and alternate Dave Knight travelled to Choate to debate the question, "Resolved: That the present level of college enrollment should be maintained for the next fifteen years." The decision was 2-1 in Choate's favor. On the home floor Deerfield's affirmative team of Bill Boyle, Jerry Fessenden, Al Pergam, and alternate John Mendelson beat Choate's negative team 3-0. On February 25, Deerfield beat both teams from Hotchkiss. Bob Milling, Jim Tripp, Jerry Fessenden, and John Waterbury won on the affirmative, as did the negative team of Mike Pochna, Lloyd Semple, Matt Gardner, and Charlie Updike. On April 19 took place the triangular debate with Mount Hermon and Williston. The Deerfield debaters Milling, Boyle, Gardner, and Tripp achieved the third straight victory for Deerfield to retain the cup.

VARSITY FOOTBALL

THIS year the Deerfield varsity football team again went undefeated for the third year in a row. This could not have been achieved, however, without the good spirit and persistent drive which earmarks every varsity season. Inspired by quarterback Captain Bob Milling and the infallible combination of Weston Roodhouse and Chet Boulris the invincible Green overpowered each successive team as they came into view. With only nine returning lettermen Coaches Boyden, Marr, Ball, and Cobb possessed a small nucleus on which to build. However, under these fine coaches the team developed into one of the most respected single-wing elevens in prep school ranks.

In the initial game against an always dangerous Vermont Academy, the overwhelming strength of our varsity became apparent. After an 80-yard drive, Boulris plowed over from the ten-yard strip. Wes Roodhouse, on a very effective "trap" play, unleashed a 71-yard sprint into the end zone for the second Green score. Boulris went over again for a touchdown in the fourth quarter and alert Bob Madgic, defensive halfback, intercepted a Vermont pass on the opponents' eleven to complete the 28-0 victory.

Although hampered by a water-soaked field and pouring rain, the Deerfield contingent battled the Hotchkiss eleven to a 14-0 standstill, to maintain their yet unscored upon season.

Next to bow was a spirited, but outplayed Taft team. Early in the first period, Boulris tallied on a 65-yard scamper. Roodhouse clinched the 27-6 Deerfield victory by scoring twice on wedge-charges. Lithe Ed Kozlowski slipped around the end in the waning minutes of the fourth quarter to slate his first score of the year. Remarkable was the kicking of Steve Keene, who completed his seventh conversion in eight attempts in the final period.

In one of the hardest fought battles of the year, Williston was subdued on the short end of a 19-13 score. After a pass from Boulris to Strickland which set the pigskin on the eleven, Roodhouse hit pay dirt on a line buck. Boulris netted the second tally on an off-tackle play. Roodhouse concluded the scoring on a wedge.

Despite the superb kicking of a strong Cushing team, which kept the Green inside its own twenty for the first half, a decisive 14-0 Deerfield victory was gained. After a 56-yard sprint by junior halfback Bill Rienecke placed the ball on the Cushing five, Roodhouse charged into the end zone for the first tally. Great credit is due to the brilliant defensive work of the forward wall, Strickland, Win Robinson, Dobson, Willard, Karl Robinson, and Moses in halting the Cushing surge in trying moments.

Varying their single-wing with occasional T-formation plays, the Green powerhouse swept an 18-0 victory over our traditional rivals, Choate. Rienecke split the line on an inside reverse for the last touchdown, after guard Joe Willard smothered a Choate fumble.

The final game with Mt. Hermon will remain a football classic for many years. Sufficient tribute cannot be given to the players of both teams, who, in the face of a blinding snowstorm, presented an almost superhuman performance. Behind 25-14 in the third quarter, only the indomitable will to win of the Green prevented defeat. In a stirring fourth quarter, Deerfield broke the hearts of a courageous Hermon team with a tremendous offensive barrage that resulted in the paramount touchdown. The final score was 27-25, the identical score of the game with Hermon in 1954.

JUNIOR FOOTBALL

THE Deerfield junior football system was initiated in 1926 by Mr. Perrin for two basic reasons; first, to let boys gain experience in playing football with other boys of their same ability, and second, to develop latent talent for varsity teams of the future. The won and lost record for the junior football system was not only an impressive one but was demonstrative of the type of football played during the 1955 season. The composite record for all the teams from Junior Varsity to Freshman-Sophomore reserves was fifteen wins, ten losses, and three ties. A strong determination to win and good spirit was manifest throughout the season and a high level of sportsmanship prevailed in each contest.

The Junior Varsity squad of 1955 enjoyed an unusually successful season. The backfield, which didn't start to move until late in the season, was fortunate in having a strong line in front of them to open up the holes. The opening game against Vermont Academy saw the Green team, led by fullback Dave Smith, streak to a 15-7 victory. However, the following week the team was handed a 14-2 defeat from Holyoke. The Holyoke passing offense was their key to victory as both of their touchdowns were set up by long passes. Not to be discouraged, however, the Green came back in the game with Lenox with a 26-12 victory which was sparked by the play of Joe Twichell at tailback. The Darrow game, played under the most adverse conditions memorable in the annals of Junior Varsity football, saw the Deerfield eleven emerge victorious. Joe Powers and Joe Twichell scored for the Green giving Darrow a 14-0 defeat. Perhaps the most hard fought game of the

year was the Greenfield contest which ended in a 20-20 tie. The Green team started slowly in the first half but finished the game with a drive which nearly resulted in another tally but time ran out. The final victory over Mt. Hermon concluded the successful season for the Junior Varsity. The playing of Joe Twichell, Dave Smith, and Joe Powers in the backfield and Captain Terry Whiting in the line should be remembered as well as that of Pete Chamberlain, Duke Felt, and Steve Cook who should see action on next year's varsity. Mentors Bohrer and Burdick were pleased with this year's team and will try for an unblemished record next year.

This year, for the first time, the Junior squad under Mr. Oatley was divided into two separate teams each having its own schedule. The regular Junior team, "a good team that never reached its peak," boasted a record of three wins and two losses. Their victories were over Orange, Wilbraham, and Westminster, losing to Williston and Mt. Hermon. The team, led by backs Roger Hoit, Kurt Koegler, John Mendelson, and Eric Widmer and linemen Howie Bass and Peter Sachs, possessed that good spirit and will to win that is never lacking on Junior football teams.

The second Junior team, the Junior reserves, played four games for their first season of play. The Reserves won their first game from Vermont and then lost three consecutive contests to Orange, Holyoke, and Mt. Hermon respectively. However, the team was formed after the season had begun and was therefore slow in starting, but next year's team, if possessing the same determination as their predecessor, should compile an impressive record.

The Freshman-Sophomores boasted one of the strongest backfields in their history this year in George Braun, Larry Gwin, Neil Halkyard, and John Savage. Although the season's record was 3-3, they played some good football and the spirit was excellent.

Mr. Herlihy's Freshmen-Sophomore reserves compiled one of the best won and lost records in the system with their four wins, one loss, and one tie for the '55 season.

VARSITY SOCCER

WITH a strong nucleus of five returning lettermen, the future of the 1955 varsity soccer team looked good, but, as is often the case, this optimism was shared by many of the opposing teams. After two weeks of hard practice, the team journeyed to Suffield for the first game of the season, and the offense, led by Captain John Marsellus, punctured Suffield's defense for six goals, while the Orange was unable to score, giving the Green a 6-0 victory. The scoring was done by Robinson, Easter, Johnson, each with one goal apiece, and Magowan with three.

The following Saturday, the team traveled to Williamstown to scrimmage a strong Williams College varsity. Although holding Williams to one goal, the Green was unable to score themselves. In this game, the fine playing of halfbacks Campbell, Smith, and Bradley, together with the work of the fullbacks, Allen, Deane, and Easter, was outstanding. They were ably backed by DeMallie in the goal.

The third game was a rugged battle against Loomis. The game ended in a 4-4 tie in spite of two overtime periods. It was in this game that DeMallie was taken out with a back injury and was incapacitated for almost the remainder of the season. Captain Marsellus played outstandingly, booting three goals while Eldridge scored the fourth.

Exeter dealt the varsity its first defeat by a score of 3-1. Easter scored for the Green in the first period on a penalty kick. During the second and third periods the play swayed back and forth with neither team being able to score. Late in the fourth period Exeter scored, making it 1-1. Tiring rapidly, the team was unable to keep up the fast pace and in the ensuing overtime was finally subdued when Exeter was able to score two goals.

Hotchkiss was next on the schedule, and the varsity quickly redeemed itself with a 5-3 victory. Rod Ramsay, recently promoted from the J.V.'s, led the scoring with three goals, followed by Marsellus and Knowles with one apiece.

The climax of the season was with Andover when the team withstood tight competition to come through with a 2-1 victory in overtime. Again the superb play of halfbacks Smith, Campbell, and Bradley and of fullbacks Allen, Easter, and Deane was the deciding factor. Outstanding for the Green was Bicknell who scored the tying goal after Andover had taken an early lead and who assisted Johnson in scoring the winning tally.

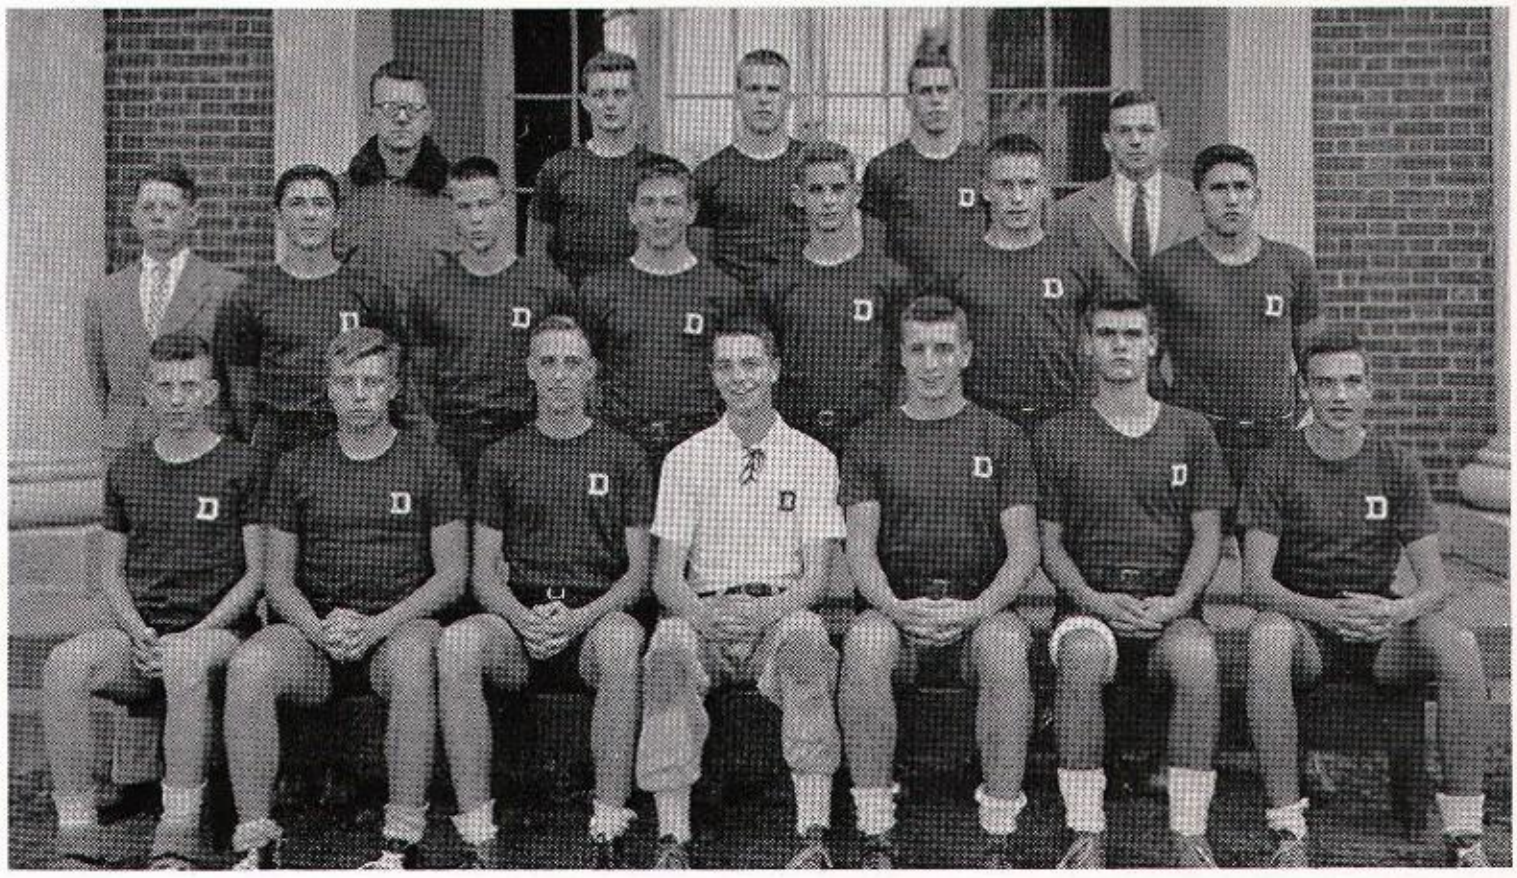
Overconfident, the varsity lost its next game to a highly-spirited team from Wilbraham by a score of 2-0. In this game the team missed the valuable play of Jack Allen at fullback, who was injured.

On a rainy, cold day the varsity played at Williston, tying 2-2. Mike Bradley, next year's captain-elect, scored both Deerfield goals as well as playing a fine game defensively.

Traditional rival Choate came to Deerfield rated as one of the best prep-school teams in New England. The determined Green team, however, controlled the play throughout the game, scoring in the first quarter. Choate scored its only goal of the day late in the first half, knotting the score at one all. Play was even throughout the second half, with neither team able to break the deadlock.

In the last game of the season against Mt. Hermon, Deerfield came from behind to earn a 2-2 tie. Scoring first, with a goal by Bicknell, the Green appeared to have the game well in hand, when Hermon punched in two quick goals to lead, 2-1. With two minutes left to go, Robinson scored the tying goal.

Suffering from numerous injuries, the team had a sporadic season, compiling a 3-2-4 record. Much credit should go to Mr. Merriam for the job his team did in the face of such stiff competition.



JUNIOR VARSITY SOCCER

Back Row: Mr. Suitor, Holland, H., Cutler, Long, Mr. Wheeler
Second Row: Marshall, D., Forbush, Holbrook, Macdonald, Booth, Knight, D., Keratzes
Front Row: Chase, Williams, A. Lipscomb, Simmons, Blake, D., Andrews, Gilbert

JUNIOR SOCCER

1955 proved to be one of the most successful years in the history of the junior soccer system at Deerfield. This system is greatly responsible for the success of the varsity, for it is from these teams that most of the varsity players gain their experience. The eight squads, under the direction of Mr. Williams, won twenty-nine games, lost six, and tied three. Of these teams five completed their respective seasons undefeated, a fact that may be attributed to an excellent coaching staff and a great deal of hard work on the part of the players.

The junior varsity, at the top of the ladder, had a fine team with many underclassmen who should figure importantly in the success of the varsity next year. The team played a tough schedule composed of games with the University of Massachusetts freshmen, the varsity teams from Cushing, Ludlow High School, and Holyoke High School, the Mount Hermon J.V.'s, and finally the junior varsity from Choate. Under the coaching of Messrs. Suitor and Wheeler the Green managed to win four of these, losing only to Ludlow, one of the powers of high-school soccer in the country, and the strong team from Cushing. The season had a happy ending with a Deerfield victory over Choate in a 2-1 thriller. Outstanding for the J.V.'s throughout the season were forwards Pete Booth, Dave Knight, Pete Holbrook, and Steve Chase. These goal-getters were backed up by a fine, halfback line of Andrews, MacDonald, and Cutler. Certainly it was a more than creditable year for the junior varsity.

Mr. McKenney's varsity reserve team remained unvanquished for the sixth year in succession. During these six years the reserve team has won 28 games and tied 3, indeed a remarkable feat. This year the reserves assiduously defeated teams from Chester High School, Dublin, Williston,

Mt. Hermon, and Wilbraham. The second contest with Mt. Hermon, played in a dense fog, resulted in a scoreless deadlock, and due to the inclement conditions no overtime was played. Particular credit should be given to goalie Bob Adams, who held the opponents scoreless in four games, and to Bernie Buonanno, who was the team's high scorer.

The league team, coached this year by Mr. Scandrett, was also among the ranks of the undefeated. The leagues, perhaps the most important building team in the system, had an excellent squad with many promising players. They put together a record of five wins and a tie, playing Suffield, Williston twice, and likewise two games with the high school from Westover Air Force Base. The Westover team gained a tie in the first encounter. However, the leagues ended the season well with quite a decisive victory in the return game. The well-roundedness of the team is shown by the fact that fifteen of the eighteen members of the squad scored during the season. Captains George Seeley and Lloyd Semple gave the team much inspiration through their fine play and leadership. Dick Page and John Zabriskie also deserve mentioning.

The senior soccer team, often undeservedly rebuked, once again showed the high caliber of their play. The colorful group was unbeaten in three games.

The junior teams, which have been the training grounds for many great players, under the direction of Mr. Ruggles had a fine year. Much new talent was developed and sent up the ladder of the system. Junior A with one of the best teams in its history was undefeated. Juniors B, C, and D, coached by Messrs. Dicklow, Robinson and Martin respectively, all had good seasons. Mr. Martin's boys were also unbeaten.

The record, which is the only tangible measure of success in soccer, speaks for itself. The numbers in the won and lost column point out the excellence of the season and the high level of ability attained. However, the sportsmanship and interest in the game found throughout the system were equally important to the success of the year. Thus from the highest to the lowest this was truly a fine fall for the Junior Soccer System.

VARSITY CROSS-COUNTRY

THIS year's varsity cross-country team compiled as fine a record as any former squad at Deerfield Academy. Throughout the season the team displayed signs of great strength and even greater depth. The fine competitive spirit and desire to win possessed by every member of the squad contributed in the development of the best team and the creation of the finest record of any Deerfield cross-country team. Captain-elect Brandon Harrison and Stan Thompson, consistently running outstanding performances in every one of the six meets, were the primary factors in the wonderful record. Captain Bill Tripp was not able to compete in the first two meets because of an injury to his right foot. Besides these harriers, Jon Emerson, Bob Hardy, and Don McKnight were all returning letter men. Much credit should be given to their persistent drive and the continual effort of Dick Ogden, Dean Tripp, and Karl Saeger, newcomers to the varsity. The only team which did blemish the record of our team was Mt. Hermon, a squad which Deerfield had beaten previously in the New England Interscholastics. Coaches Pidgeon and Dolph deserve praise for their work in producing this team.

In its first encounter the Green and White team easily subdued an inexperienced Andover squad, 18-40. The team showed itself well despite the absence of Bill Tripp. Brandy Harrison, the winner, Stan Thompson, Jon Emerson, and Bob Hardy took the first four places before the first Andover harrier crossed the finish line. The team as a whole, with its invincible spirit and great depth, displayed promise for a really fine season.

On the following Saturday the team journeyed to Amherst, where they routed the freshman squad by a perfect score, 15-47. Brandy Harrison, tying the course record, Stan Thompson, Jon Emerson, Bob Hardy, and Don McKnight, all running outstanding races, filled the first

five positions. With Dick Ogden, Dean Tripp, and Karl Saeger following closely, the squad once again proved that their true strength lay in their depth.

A Williams freshman team was next among the victims of the Deerfield squad, who once again overpowered their valiant opponents, 22-33. Consistent Brandon Harrison won the race, followed closely by Stan Thompson. Jon Emerson was a strong fourth; and Captain Bill Tripp, running his first meet of the season, plowed through in sixth place. Saeger, the German exchange student, ran a good race, coming in ninth.

The biggest test of the season for the squad came in the New England Interscholastics, this year held at Moses Brown in Providence. Pushed on by their unflagging spirit and determination, the Green harriers won the meet, beating their arch rival, Mt. Hermon, by one point. Stan Thompson was first and Harrison second for the Deerfield harriers, thus placing third and fifth respectively in the meet. Karl Saeger, running his best race of the season, pleased all by finishing tenth, third for Deerfield. Captain Bill Tripp and Jon Emerson completed the Deerfield scoring. This is the first time that this glorious honor has ever come to Deerfield.

After this tremendous victory, the Deerfield runners kept up their pace, vanquishing a Choate aggregation, 17-39. Stan Thompson, the winner, and Brandy Harrison again turned in remarkable and splendid performances. Captain Bill Tripp, regaining his former prowess, finished third, with Jon Emerson crossing the finish line fourth. Bob Hardy, our fifth man, sewed up the meet.

The Green harriers ended their most distinguished season with a traditional clash against Mt. Hermon, who beat the Green on an icy course. This meet still exemplified the competitive spirit shown by the Interscholastic Champions in 1955.

JUNIOR VARSITY CROSS COUNTRY
Back Row: Mr. Hunt, Hardy, L., McClintock, Vay, Rodgers, Reed
Front Row: Waterbury, Hall, E. K., Mann, Keally, Gould, Ward

JUNIOR CROSS-COUNTRY

THIS year the junior cross-country system did not turn in an outstanding record. But it must be realized that the purpose of junior cross-country is not to necessarily win meets but to develop runners. In this aspect the season proved entirely successful, for many good prospects were developed under the fine tutelage of Mr. Hunt. There were approximately forty boys in the junior system, and these made up the J.V. and third teams.

This year four J.V. runners were given valuable experience in two varsity meets. These boys were Nick Vay, Harry Southall, Ted Ells, and Jim Curtiss. Because of their excellent performances in the Williams and Amherst meets, Mr. Pidgeon has high hopes of filling the gaps in next year's varsity with strong runners.

The first J.V. meet was indicative of the competitive spirit shown throughout the season by the team. Heavy rains had flooded the regular course and Deerfield was forced to engage the visitors from Brattleboro on a new course. The meet was run over 2.5 miles of Old Deerfield's paved roads on a cold windy afternoon. Towards the end of the race the lead changed constantly, with the final result that Brattleboro men took first and third with Jim Curtiss in second place for the Green. Glenn Rodgers, Lance Mann, Lloyd Hardy, Robert McClintock, Allen Ward, and John Waterbury swept the places from fourth to ninth, thereby giving Deerfield the edge, 18-19.

In the following meet the jayvees traveled to Mt. Hermon's rugged course and lost to their ever-powerful jayvee squad. Karl Saeger and Dean Tripp did outstanding jobs by taking first and second respectively. Unfortunately Mt. Hermon turned in their usual consistent running and finished in the next five places. The Green went down in defeat, 25-30.

Choate brought a strong jayvee team

to Deerfield, but their hopes were soon smashed as the Green harriers defeated their traditional rivals, 24-33. It seemed a sure victory for the visitors with only a half mile to go until Allen Ward began a blazing finish to win the race. Following his example Ted Ells legged it home in fourth, Glenn Rodgers finished fifth, Harry Southall came in eighth, and Jim Curtiss placed tenth. Nick Vay turned in the most outstanding performance of the day by sprinting the last quarter mile and gaining the all-important sixth place.

In its final meet of the year the Deerfield jayvees again had to face their strong opponents from Mt. Hermon. Once more the Hermon boys proved superior and defeated the home team, 17-25. The day was wet, cold, and the conditions were poor for running. The visitors seemed unaffected by it for they took the first three places. Jim Curtiss did a commendable job taking fourth, Allen Ward finished eighth, and Nick Vay placed tenth.

Although the thirds put in a good deal of hard work, it was to no avail, for their opponents consistently held the upper hand in three hard-fought meets.

In their first meet, Glenn Rodgers, Bob McClintock, and Dave Carlson placed in the first ten to acquit themselves honorably at Mt. Hermon. But because of their great depth the Hermon team won the meet easily.

Allan Monkhouse and George Johnson took fifth and sixth respectively in a meet at Deerfield with Amherst High School. Unfortunately their efforts could not avert a disastrous defeat at the hands of the visitors.

For the final meet of the season Mt. Hermon came to Deerfield with a strong desire to beat the Green. Their conquest could not be denied and they handily swept the first five places before Allan Monkhouse crossed the finish line.

This year the Junior System was successful for it produced potentially good runners. As long as the System supplies such material for the Varsity, Deerfield will maintain its high position in New England cross-country.

VARSITY BASKETBALL

THE 1956 Deerfield Academy basketball team compiled a respectable 7-8 record. Captained by returning letterman, Seth Strickland, and coached by Mr. Bohrer and Mr. Boyden, the green and white team was confronted with several obstacles. With little experienced nucleus on which to build, the coaches had to rapidly evaluate a mass of promising but inexperienced talent. After Christmas the task of molding a unified team from five individuals was undertaken in earnest. The squad merits much praise for its rapid transition to team coordination and cohesion.

Averaging about twenty points per game and spearheading the team's rebounding, Strickland at center was a brilliant and integral part of both the offense and the defense. Bob Madgic and Bernie Buonanno served as the team's "little men". Outside shots, flashy drives, and effective fast breaks were the essentials of these two's repertoire. Win Healy, Chet Boulris and Hank Woods shared the other two starting positions. Tall Win Healy made tremendous progress, blossoming into a scoring threat at the season's close. Boulris, an aggressive ball-hawk, and Woods, a cat-like defender and play-maker, were also necessary to the team's potency. Reserves, Ellert, Gibbons, Lawler, and Turko were capable and dependable.

Launching its schedule at home, the Deerfield team made an opening surge prove decisive against arch rival Choate. Suffield then fell victim to accurate shooting by the score of 56-40. Cushing's team, which boasted a star-studded lineup, was next on the team's schedule. Trailing by sixteen points in the third stanza, the visiting Deerfield five's rally fell short by two points. Mt. Hermon, Loomis, and Vermont all defeated the green and white aggregation. Plagued by a single unproductive quarter in each contest, the Deerfield squad could not consolidate early leads. However, at Choate before packed stands the visitors edged the home team, 58-56. Nevertheless, the tension and excitement of the Choate game palls in retrospect with the Williston game four days later. Keeping within five points of their highly touted opponents by capitalizing on fouls and fast breaks, the underdog Deerfield team closed with a spurt. In the last two minutes, the contest was transformed into a seesaw struggle climaxed by Madgic's half-court basket which clinched the game as the buzzer sounded.

Again Deerfield lapsed into a losing streak, dropping decisions to Wilbraham, Vermont, and Mt. Hermon. The first was a superior team, but more consistent play could have reversed the outcome of the last two encounters.

Awakening from lethargic play, the green team erased a half-time deficit against Kimball Union to win, 64-60. With Healy and Buonanno hitting on sixty-four per cent of their shots, the Deerfield squad upset a superb Wilbraham contingent. Lagging at half time, Wilbraham caught up only to be defeated in the waning seconds of the tilt. Before an electrified home crowd the Deerfield team again upset Williston by a splendid last-half splurge. However, the squad's valiant bid for a winning season was thwarted by Cushing's unrelenting point production in the season's final contest.

The 1956 basketball season had its zeniths of success, its nadirs of failure, and its mean of mediocrity. The team had severe disadvantages to compensate for, inexperience with each other and some excellent opposition. Because the team accomplished what they did despite these handicaps, the season can be considered highly successful.

Second Row: Mr. Marr, Moller, Blake, D., Blake, J., Horton, Reed
Front Row: Rienecke, Fauver, Russell, Allen, C., Goldstein, Moses, Hotchkiss

JUNIOR BASKETBALL

FLOURISHING under the able supervision of Mr. Perrin, the junior basketball system completed one of its best seasons, victorywise, in the history of Deerfield. Compiling a remarkable record of 57 wins to 12 losses, the prospective Varsity squads played a total of 69 games, both at home and away.

The system presents excellent opportunities for its 60 participants to gain skill and experience against top opposition and provides a sound reserve for future Varsity teams. The program is divided into five sections; the Juniors and Seniors comprise the J.V., J.V. Reserve, and Junior squads, while the First and Second Freshman-Sophomore teams are composed of members of those two classes.

The Jayvees, under the competent coaching of Mr. Marr, produced a praiseworthy record of only one loss in sixteen encounters. Led by scoring aces Goldstein, Horton, and Moses, and playmakers Dave Blake and Rienecke, this squad amassed a total of 875 points. The lone defeat to the University of Massachusetts Freshmen was later revenged in an overtime.

Mr. Ball's J.V. Reserves matched the J.V.'s record, winning fifteen out of sixteen games. Sharpshooters were Tom Adams and Wolanske, with Rice, Damgard and Widmer completing the first five. Westover dealt them their only setback. This was revenged by a remarkable victory, 74-30. Mr. Ball commends the team for its spirited comeback against Williston, when, in the last few seconds, they came from behind to win.

Skillfully coached by Mr. Binswanger, the Junior team completed a difficult schedule with a commendable record of only two setbacks in fifteen encounters. Scoring 210 field-goals, the highscorers Bianchi, Marr, and Purser each averaged

ten points a game. Assisting in the season's score of 609 tallies were Hoit, Koch, and Doug Anderson. The climax of the season was the overtime victory against Hotchkiss Academy. An exceptionally strong Greenfield five delivered both defeats, one of which was by a single point. A jubilant but narrow victory over the Varsity Squash team brought the season's schedule to completion.

The Freshman-Sophomore squads, this year, were hindered by two major handicaps; coaching positions were altered three times, and both teams were continually rearranged to provide for varying strengths of opponents. However, Mr. Banks, making his debut as coach in Deerfield basketball in the latter half of the season, has done a masterful job in developing both teams. Led by Captain Braun, the First Freshman-Sophomores, consisting of Caputo, Philipp, Mendelson and Wolanske in the first five, dropped only three games in eleven contests. Supporting reserves were Roberts, P. Blake, and Farthing. Mr. Banks recalls that the second games with Greenfield and Amherst were exceptional performances.

The Second Freshman-Sophomores' record of six victories gained in eleven encounters is certainly commendable, under the circumstances. Upholding high-scorer McWilliams were Dart, Cook, Carlson, Ripka and Buford.

This year the junior basketball system, characterized by a high degree of talent and team spirit, has upheld the excellence of preceding seasons. It is a remarkable achievement by Mr. Perrin and the coaching staff of Messrs. Marr, Ball, Binswanger, and Banks. Providing high-caliber material for Varsity level, it has set a high standard for oncoming teams next year.

VARSITY HOCKEY

FROM the won and lost standpoint the Varsity Hockey team had nothing more than a mediocre season. Winning seven and losing seven, the number of goals the Green scored was perfectly balanced by the number scored against them. This mediocre record is partially explained by the fact that the entire rink surface could be used only a dozen days during the season. The artificial ice at Amherst proved a great benefit on several days when poor ice would have caused a home game to be canceled. That the team did maintain its spirit and enthusiasm is a credit to the able coaching of Mr. Merriam and the inspiring leadership of Captain Dave McEachron.

The season opened dubiously with a defeat at Mt. Hermon, 3-0. As the team was shaky due to lack of practice and their playing on unfamiliar ice, they were unable to drive in one goal. On the following Saturday, the team entered the winning column by easily defeating the alumni, 8-2. Jake Haertl, Dave McEachron, Bill Tripp, and Bill Harlow all figured in the scoring. The confidence built up in the alumni game was soon shaken by Kimball Union who defeated the varsity, 4-0. In this game Hugh Weed was shifted from the first line to the goal where he performed creditably for the next few games.

The squad then began to show promise as it entered a winning streak of four games. West Springfield was the first to fall in a close, 2-1, game. Haertl lifted in both goals on passes from Jack Hodgson and Duke Felt. This victory was followed by another over a weak Williston aggregation who succumbed, 8-0. Goals were scored by Haertl, McEachron, Talbot, Holbrook, Marsellus, and Macdonald. In the Loomis game the score was 11-0, and the Green and White Snowball really began to pick up momentum. When the team had avenged its opening game defeat after overcoming Mt. Hermon,

5-2, in the return game, it appeared that the Deerfield players had finally realized their great capabilities. But reverses often come quite suddenly in athletics, and such was the case this year. Coming up against stiff competition the Varsity lost its next three games.

On the following Thursday, the Varsity played the Amherst freshmen on their rink. Amherst won, 5-4. Jake Haertl and John Marsellus each converted for two goals. As usual, the game with Bishop's College School proved to be a high spot on the schedule. Due to poor ice conditions at Deerfield, the game was played at Amherst on their artificial rink. Although the Green succumbed to the superior Canadian team, 12-0, the game was a marvelous and worthwhile experience.

Since this was the fourth game without a single practice, the hockey team was not in shape to compete with Choate, who dealt Deerfield another defeat. However, on the following Monday the team scored a victory over Vermont, winning by a score of 3-2. Hugh Weed, Jack Hodgson, and Dave McEachron each managed to tally. The next game saw the Green once again fall in defeat to an overpowering Kimball Union team, 10-2. Haertl and McEachron scored the only two goals for Deerfield.

The hockey team played an outstanding game against Dartmouth, even though the freshmen won, 5-3. In the second period Haertl and McEachron each put one in. Later in the third period Hugh Weed scored the third goal. Much credit must be given to the defense of Steve Cook and Doug Macdonald who broke up the Dartmouth attack several times. In its final game varsity hockey again defeated Loomis, 5-1.

Considering the extremely poor ice conditions, varsity hockey did remarkably well to achieve its record of seven wins and seven losses. Under the guidance of Co-captains elect Steve Cook, Jake Haertl, and Coach Merriam, and with high hopes of an artificial rink, a fine team will represent Deerfield in 1957.

JUNIOR HOCKEY

THE winter of Nineteen Fifty-Five brought only fair ice and fair hockey in Deerfield's junior hockey system. As in previous years, the weather played a cruel part by reducing the total number of games, but still gave several promising players valuable game-experience which will be helpful in making next year's varsity squad. The junior varsity compiled a record of three wins and three losses, two of the losses being to a varsity team. The third team also had a fair record, winning two and losing one. The freshmen-sophomores had the largest schedule, playing nine games, and ended the season with four victories, four defeats, and one tie.

The junior varsity opened its season against Cushing Academy and spent the afternoon trying to find their opponents' weakness. Unable to find this weakness, the Green came out on the short end of a 3-1 score. The only Deerfield goal came in the fourth period on a shot by Dick Ogden. In the next game the Green fared better with a 3-1 victory over Kimball Union. The scoring for the J.V.'s was done by Win Robinson, John Keratzes, and Dave Knight. The following two games with Mt. Hermon also proved to be successful from the point of view of Deerfield who captured both contests 2-1 and 7-2 respectively. The Green then traveled to Cushing for their second encounter with the Cushing varsity. This was decidedly a grim day, for the junior varsity suffered their worst defeat of the year as Cushing romped to a 6-1 win. In the last game of the season, the Green team suffered from poor conditions as well as from a strong Choate team. Going into the last period, the score stood 2-1 in favor of Choate. Fighting bravely, the valiant Green squad managed to tie the score at two apiece, but soon afterwards fell apart. Choate shot in two quick goals giving them a 4-2 victory.

The third team's schedule was limited to only three games this year due to the adverse conditions of the ice. The first contest was a win over Mt. Hermon. In this game the superior stick-handling and the coordination of both the attack and defense gave Deerfield a 2-0 victory. The next encounter proved to be disastrous, as the Third's winning streak was broken up by a powerful Westminster squad by a 3-1 score. Finishing up strong, the Third's pulled back into the win column by beating Mt. Hermon.

Similar to the Thirds, the Freshman-Sophomore team skated to victory in their first game of the season with a 7-1 win over the Suffield varsity. The team looked as if it was off to another good season, but received a bad blow in a 4-0 defeat at the hands of Mt. Hermon. The following two games were a tie with Eaglebrook and a win over Westminster. Mt. Hermon again dealt the Freshman-Sophomores a defeat, this time by a score of 4-2. The most exciting game of the winter was with West Springfield in which Deerfield was narrowly edged out by one goal in four over-time periods. The two Green scores were by Pete Clark and Tim Evers. The remaining three games resulted in two wins, one over Farmington Boys' Club and the other over Eaglebrook, and a loss to West Springfield.

The second line of the Junior Varsity was made up of underclassmen, who will add power to next year's varsity. The Freshmen-Sophomore team saw the development of several fine players who should be a help to higher teams in the future. Since the Third team was made up of mostly seniors, that squad was consecrated to abandoned enjoyment of the game. Again, as in the past, Junior Hockey saw another fine season with both improvement and recreation.

VARSITY SWIMMING

IN the procession of Deerfield swimming teams, each one better than the last, this year's team stands out for its National Record and for the defeat of Hotchkiss. Certainly most of the credit is due Coach Pidgeon, who had been building this team since its members were Freshmen.

The season opened with the Worcester and Mt. Hermon meets. They were both easily won, and were not characterized by any great display of prowess or spirit on behalf of the Green. In the Worcester meet overflowing stands weren't quite enough to urge the 400-yard relay to a National Prep School Record.

After a week of hard practice the team showed considerably more spirit and proficiency in downing Exeter, 38-37. In this meet Don McPhee broke the school fifty record in 24.3, Dave Winston the hundred in 54.5, and Co-Captain Hank Marquardt, Perilman, and McPhee the medley relay in an excellent 1:20.7.

The Williston meet was the season's first and only set-back. Although Don McPhee broke his own school fifty record in 23.5, and Steve Jackson broke the diving record, the team finally conceded to an assemblage of superior swimmers.

The Amherst and Dartmouth meets set the improving team back on its feet. The defeat of the outclassed Amherst aggregation was highlighted by the performance of the Green's 200-yard medley relay as Marquardt, Perilman, McPhee, and Winston sped to a new school record of 1:52.9. The Dartmouth meet found an even further improved team breaking three school records. Co-Captain Bob Gibbon churned to a 2:03.7 in the two-hundred, McPhee to a 52.6 in the hundred, and McPhee, Winston, Waterbury, and McClintock to a 1:36.1 in the final relay.

The Williams meet was the first real test of the team. This meet climaxed the season, showing that the team could

perform under strenuous pressure. Gibbon tied his school two-hundred record and the same final relay team broke their record, set at Dartmouth, in 1:35.2. Deerfield won both relays by a total of only nine tenths of a second.

The Trinity meet was relatively uneventful, and gave everyone but Steve Jackson a chance to rest up as much as possible for Hotchkiss. Steve set a new school record of 71.00 points in the dives. Incidentally, Steve won both interscholastics and suffered but one dual meet set-back.

Until this year Deerfield had not beaten Hotchkiss for ten years. However, the team performed to capacity to down the blue rival 45-32. McPhee tied his fifty record for the second time, Gibbon broke the two-hundred mark in 2:02.4, and Winston set a new hundred pool record in 53.3. The final relay set a new Deerfield-Hotchkiss record as they prevented Hotchkiss from winning by one point.

The University of Massachusetts meet was sparked by the record-breaking performance of the 400-yard relay. McPhee, Winston, Gibbon, and McClintock each sped one hundred yards for a total time of 3:32.5, bettering Williston's old mark by 1.1 seconds. It is interesting to note that these four boys and John Waterbury all recorded hundred times well below the old school mark of 54.9.

In the Trinity Interscholastics a handicapped Deerfield team gambled for first and, losing, placed third. However, in the New England Interscholastics, the Green, defending champions, were at full strength and made an excellent showing. Sparked by New England Champions McPhee, Gibbon, and Jackson, the team was a close second to Williston.

Next year's team will try hard to better the outstanding record of the 1956 Varsity. Under the leadership of Coach Pidgeon and Co-Captains McClintock and Jackson, the ten returning lettermen, bolstered by men from this year's excellent sub-teams, should have a good chance of realizing their goal.

VARSITY SKIING

THE competitive skiers again this winter suffered from a meagerness of snow, which, this being a definite essential to the sport, resulted in sparse opportunities for practice. Therefore they were but poorly prepared to meet well-skied opponents from across the snow line. Nevertheless there was much ability on both Varsity and J.V. teams, and under the coaching of Messrs. Burdick and Ruggles each of the teams had creditable seasons.

The winter got off to a rather grim start for the varsity when the first four meets were cancelled due to various natural causes. Thus the first meet did not take place until nearly a month after the return from Christmas vacation. The season opened with the Kimball Union Winter Carnival. Besides Kimball Union and Deerfield, Vermont, Holderness, and St. Paul's also participated in the meet. Because of an insufficient amount of snow for the slalom and downhill events, it was run off as a Nordic meet, that is, only cross-country and jumping. The experience of the other schools, all of which are located in more snowy areas than the Pocumtuck Valley, proved a major factor as we finished a close fifth.

The next meet was a three-way affair at Cushing with Dublin, Deerfield, and Cushing participating. This was the highlight of the season as this meet was held over Cushing's Winter Carnival and a well-earned Deerfield victory made the team well disposed to enjoy the other festivities of the carnival weekend. This was their finest hour as the team pulled off some terrific clutch skiing to win the meet. They went into the final event of the day, the jumping, seven points out of the lead. Here the Green did magnificently and picked up fifteen points to win.

The next competition was the New England Prep School Championships. At the end of three events the team stood tenth of eleven schools. However, they left a day early and missed the jumping

which had been one of their fortes throughout the season. The team made a very poor showing in the slalom, which was held on an unusually long course. Starting out at too fast a pace, they had nothing left when they reached the final gates. However, the team came back very well in the downhill and finished as high in that event as any Deerfield team ever has in this meet. The only other meet this year, which was not cancelled, was a one-event encounter with Mt. Hermon, a nemesis in skiing as in every sport. The weather conditions permitted only the cross-country to be held. Mt. Hermon won this, the first man setting a new record for the course. Larry Gazely proved to be an excellent captain and put in some fine skiing for the team. Captain-elect Duffy Wheeler also deserves much credit for his services which earned him the Dartmouth Cup.

The J.V.'s this year also saw several of their meets cancelled and only competed twice with other schools. Their first meet was the Berkshire Interscholastics. This, however, was a two-day affair, and the J.V.'s participated on the first day only. Consequently they did not figure in the team scoring. They next encountered the Vermont J.V.'s in a dual meet, consisting of only the Alpine events, downhill and slalom. The Vermont team won this by a very few points. Outstanding for the J.V.'s this year were Marsh, Halsted, and Ansbacher. The latter was awarded a ski emblem for his contribution to skiing.

Under more favorable conditions this year's varsity might have developed into an excellent team. We must now look hopefully toward the future. Next year anything could happen, for although Captain Wheeler will be the only returning letterman, he in himself will form a good nucleus and several of this year's J.V.'s will turn into fine skiers on next year's varsity.

VARSITY SQUASH

FROM the outset of the 1956 season, Deerfield's varsity squash team showed promise of becoming one of the most outstanding teams in the school's history. Under the untiring leadership of John Bowen and the expert coaching of Mr. Edwin Reade, the team, composed of four returning lettermen, four members of last year's junior varsity squad, and one newcomer, placed second in an interscholastic tournament and compiled an outstanding record of nine victories and one defeat.

Ted Simmons, Merrill Magowan, Sandy Campbell, and John Bowen formed the returning nucleus of this team, while Bryan Johnson, Warren Smith, Jack Allen, Peter Workman and Mike Bradley filled the fifth through ninth positions.

The season opened with Deerfield playing host to freshman squads from Wesleyan and Williams, both of which were defeated by identical 8-1 scores. Having made such a strong showing in its first two matches, the team seemed to be heading for an exceptional season. Its next three matches, however, would determine just how exceptional the season was to be: within a period of eight days, the team was to face powerful squads from Middlesex, Choate, and Exeter.

At Middlesex, on the twenty-eighth of January, Simmons, Bowen, and Johnson won their matches and carried Deerfield to a 3-2 victory. The first of February saw the team travel to Wallingford, Connecticut, to meet Choate in a seven-man match. Simmons, Magowan, Campbell, and Allen, playing first, second, third, and seventh, respectively, were victorious and gave the team a close 4-3 decision. At Exeter, Deerfield continued its winning ways as victories by Simmons, Campbell, and Bowen won the team its third one-point victory in as many contests.

Emerging victorious from its first five matches, Deerfield settled down to shutting out freshman teams from Trinity and Williams, 7-0 and 9-0 respectively. On February twenty-first a return match

with Choate saw the team completely overpower its Connecticut rivals, 6-1. Two days later the Amherst freshman team bowed, 8-1.

Simmons, Magowan, and Campbell represented Deerfield at the Inter-scholastic Tournament at St. Paul's, coming away in second place, trailing Brooks School by one point, 21-20. Simmons advanced to the finals of the tournament, where he met defeat at the hands of Brooks' number-one player, probably the finest preparatory school squash player in New England.

With a spectacular record of nine victories against no defeats, the team traveled north for its final match of the season. At Hanover, New Hampshire, it came up against one of the strongest freshman squash teams to play for Dartmouth in many years. Although Magowan and Bowen were able to come out ahead, Dartmouth handed Deerfield its only defeat of the 1956 season, 3-2.

The final attraction of the squash season was the school tournament which saw Ted Simmons and Captain John Bowen facing each other in the final round. In a close and extremely well-played match, Simmons was the victor, winning his second successive school championship.

IN its first year on a formal basis, the Winter Track team held an outside schedule of four meets. Conceived in 1955 as a conditioning sport for Spring Track, this year the team competed in a dual meet with Wilbraham, and in district meets at the University of Massachusetts and Andover, with a relay team also running in the B.A.A. prep-school mile.

A weakness in the sprints was costly throughout the season, and this was apparent from the first meet with Wilbraham. While winning five of the nine events, the meet was lost in the final relay. Al Ward was individual high scorer, garnering an easy first in the high-jump and a second in the hurdles. Stan Thompson and Karl Saeger ran away with their respective events, the 1000 and the 600. Led by Joe Twichell, Green runners swept the 300.

The following week saw a mile relay team composed of Jack Nunn, Joe Twichell, Ron Klinker and John Lowe travel to the Boston Garden to compete in the prep mile of the B.A.A. games, in which they gained fifth place out of nine teams, and failed to take a position in the finals by one-tenth of a second.

After a two-weeks' rest, the team entered a meet sponsored by the University of Massachusetts.

Placing in every event but the sprints, the Green amassed six first places, and going into the final event, the shot-put, was tied with Wilbraham for the lead. Unfortunately, the only Deerfield entry was not able to qualify, and Wilbraham took a fourth to win by two points. Al Ward turned in the best performance of the day, winning the high jump with a fine 5′7″ effort. Stan Thompson was also outstanding with a 4:46 mile.

The Andover Interscholastics proved to be the team's undoing, as only Ward was able to place, tying for second in the high jump.

VARSITY BASEBALL

THE Varsity Baseball Team, under the direction of Mr. Boyden and Mr. Williams, got off to a very fine start this year despite the unseasonable weather that prevailed at the start of the season. Prospects for the team were uncertain as the season opened because Captain Hank Woods represented the only returning letterman. To date the team has amassed an excellent record, winning four games and dropping only two.

Leading the team from behind the plate was Captain Hank Woods, who saw varsity service last year. John Bowen was the squad's leading pitcher, and he was backed by a strong reserve of hurlers. Adam Sokoloski has done a very fine job as number-two moundsman. Win Robinson was a fine reserve catcher and outfielder whose timely hitting contributed much to the team.

Bill Rienecke, up from last year's J.V. team, played first base. Bob Madgic and Bobby Adams at shortstop and second respectively were an excellent keystone duo. John Keratzes held down third base in admirable fashion with excellent fielding and strong hitting.

The outfield was manned by Redmond in left, Boulris in center, and Haertl or Deane in right field. Reserve strength was added to the team by utility infielder Bernie Buonanno.

The varsity opened the season in fine style by defeating Wilbraham, 4-1. The team collected three runs in the initial inning to get off to a strong start. John Bowen pitched a fine game and was ably supported by the fielding of Chet Boulris in center and the potent bats of Bob Madgic and Dick Redmond.

Combining hits to the greatest possible advantage the varsity nine defeated Loomis in the season's second encounter, 7-3. On the mound was Adam Sokoloski, who gave up two walks while striking out two.

A strong Kimball Union team was next to succumb to Deerfield's strong bats and fine pitching, losing 12-4. Sokoloski's

pitching and hitting was brilliant. The highlight of the game was Bob Madgic's tremendous blast over the center fielder's head which yielded two runs.

Very strong pitching by Choate resulted in an 8-2 loss for the Green team. Deerfield scored two runs in the top half of the first frame, but Choate came back with four to gain the lead which they never relinquished.

The most exciting contest has been the 7-6 victory over Mt. Hermon. Mt. Hermon led 3-0 until the bottom of the third inning when Deerfield drew to within one run of the visitors. Mt. Hermon pulled ahead 5-2 in the top half of the fifth inning. Deerfield had its big inning in the sixth when they batted around. Four base hits were put back-to-back enabling Deerfield to garner five runs. The winning pitcher was Adam Sokoloski.

Before a large and enthusiastic crowd, the varsity baseball team went down to defeat at the hands of Suffield, 6-4, on Spring Day. John Bowen opened the game on the mound but was replaced by Chet Boulris in the eighth inning. Suffield opened the scoring with three runs in their half of the first inning. Deerfield came back with two runs in the home half of the first stanza. Madgic and Haertl walked to open the inning and Boulris loaded the bases with a beautifully executed bunt. The next two batters struck out, but then Bobby Adams knocked in two runs with a single to left. Deerfield tied the score at 4-4 in the eighth on a triple by Keratzes and an attempted pick-off throw, which was wide of the third baseman, enabling him to score. Faulty fielding by the home team gave Suffield two runs and the game in the ninth inning. Under the astute coaching of Messrs. Boyden, Williams, and Corkum this year's varsity nine should have a very fine record.

VARSITY LACROSSE

HAVING completed seven games of its eleven-game schedule, Deerfield's Varsity lacrosse team has continued the fine standard of play which has marked the sport's history at Deerfield. From the meagre beginnings faced by any new sport, lacrosse has grown in popularity year after year until this year when it has become one of Deerfield's most popular sport programs. On a larger scale, lacrosse's popularity has been rapidly increasing in New England's prep schools until it is now challenging baseball as the section's favorite spring sport.

Having fostered the team which became the undefeated 1955 New England Champions, Mr. Hubbard faced the 1956 season with a nucleus of six returning lettermen plus the potential of 1955's strong Junior Varsity and Freshman-Sophomore squads. About this nucleus, Mr. Hubbard, ably assisted by Mr. Binswanger, has formed a large squad of twenty-seven players who have shown themselves thus far to be one of the finest lacrosse teams to come out of Deerfield since the sport's birth. The spark plug of Deerfield's defensive genius is goalie and Co-Captain Joe Talbot, who is protecting the Varsity cage for his third consecutive year, while a strong stand-in is outstanding sophomore goalie Dave Knight. In front of the cage stands the formidable defensive wall of Terry Dobson, Don McKnight, and Seth Strickland, who are submitted to constant pressure for their starting berths by able defensive substitutes Win Healy, Charlie Holkins, and John Ott. The first midfield, returning from last year's Varsity, is composed of Dave McEachron, Bob Milling, and Denis Turko, while Sandy Campbell, Hugh Weed, and letterman Bee DeMallie have been combined to form the second midfield. Dave McHugh, Rod Ramsay, and Peter Rood form the third midfield, while the fourth is composed of Bill Harlow, Herky Hawkes, and Randy

Smith. Leading the powerful Deerfield attack is Co-Captain Jack Allen, playing Varsity lacrosse for his third year, with Steve Cook and Chuck Cutler as equally potential scoring threats. Doug Hamilton, Jon Knowles, Jo Willard, and Peter Workman allow powerful offensive substitution.

The Pocumtuck Valley is noted for its rather peculiar weather. The first day of the 1956 lacrosse season was no exception from the rule, as the first practice saw Varsity and Jayvee aspirants rolling tremendous snowballs in an attempt to clear the Varsity field of the previous night's snowfall. Despite adverse weather conditions, the team rapidly took shape under the intensive supervision of Messrs. Hubbard and Binswanger.

On the nineteenth of April the team travelled to Cambridge for its opening game against the Harvard freshmen. Allen was high-scorer with seven goals while Knowles had four as Deerfield overwhelmed the Crimson by a 20-1 count. Two days later, at Yale University, McEachron's two goals coupled with Turko's three assists led the Green to a 6-2 victory over the Eli freshman team. The annual trip to West Point witnessed a Deerfield victory over a strong Army Plebe team, 7-4, as Allen again led the Deerfield scoring with four goals. At Choate, Deerfield went on a scoring spree as Allen and Milling netted five goals apiece, and Campbell, Cutler, and McEachron three apiece to crush a weak Choate team, 25-2. Three days later the Andover team bowed, 15-7, as Allen scored seven times. The next victims were the Amherst Frosh who bowed, 8-2. On Spring Day, the team played its best game to date, defeating R.P.I. 18-2, with the scoring evenly distributed throughout the team.

The matter of prediction has always been a difficult one, yet in regard to this year's Varsity lacrosse team, the crystal ball is not as dim as has been its wont. Although four difficult games remain on its schedule, the spirit and determination which has characterized the team throughout the season, coupled with its superb coaching and leadership, insure nothing but the greatest success.

VARSITY TENNIS

VARSITY Tennis this year is anticipating one of its best seasons in Deerfield history. Undefeated in eight matches, Mr. Reade's "Racketeers" have lost only seven games in a possible seventy-two so far this spring. Led by Captain Ted Simmons and returning lettermen Ogden, Blake and Magowan, this formidable squad should fare well in the Interscholastics on May 18-19.

Deerfield opened its season with a duplication of last year's score against Kent, a 6-3 victory. Simmons, playing the number-one position, won a hard match, 7-5, 7-9, 6-4. Ogden and Blake, at the two and three spots, also won 6-0, 6-2, and 6-0, 6-1. Magowan and Felt completed the singles victories. Simmons and Ogden in doubles play won quite easily, 6-1, 6-0. Phipps and Herndon were forced to default in the second set.

On the following Saturday the squad dealt a severe 9-0 defeat to a visiting Hotchkiss team. For the first time in his tennis career, Ogden stepped into the number-one court and won in two sets, 6-3 and 6-1. Simmons also won with the loss of but one game, and Blake put in an excellent performance, losing but two games. Magowan, in the hardest fought battle, overcame his opponent 6-4, 3-6, 9-7. Herndon and Felt each triumphed 6-1, 6-3, and 6-3, 6-2. The doubles teams of Simmons and Ogden, Blake and Magowan, and Tripp and Phipps completed the spotless victory.

The third match, a 9-0 triumph over Loomis, verified the unusual strength of this team. Ogden, again at number one, overwhelmed his foe, 6-1, 6-3, while Simmons won easily, 6-0, 6-1. The following four singles matches were taken by Blake, Magowan, Herndon and Felt without the loss of a single set. In the doubles column, the teams of Simmons-Ogden, Blake-Magowan and Felt-Herndon each won.

With a jubilant victory over Andover, 9-0, Deerfield continued its unblemished

march. Ogden, dropping the first set, 6-1, came back to win the next two, 6-2, 6-3. Captain Simmons commanded his match, 6-3, 6-3, with Blake close behind winning 6-2, 6-3. Magowan, Herndon and Felt put in commendable performances, 6-2, 6-3, 6-1, 6-3, and 8-6, 6-4. The combined force of Simmons and Ogden brought a 6-1, 6-3 victory. Both teams of Blake and Magowan, and Phipps and DuBois took three sets each to win.

Despite a flat tire en route, the squad gained an 8-1 advantage over the Williams Freshmen. Ogden and Simmons took their matches, 6-4, 6-1 and 6-0, 6-3. Blake and Magowan followed suit, 3-6, 6-2, 6-3 and 10-8, 6-4. Herndon, warming up as his match continued, gained a victory 4-6, 6-3, 6-1. Doubles-wise, Simmons and Ogden triumphed in two sets, while Felt and Herndon took theirs.

Traveling to Concord for their sixth encounter, Deerfield trounced St. Paul's 9-0. Ogden and Simmons, with their usual supremacy, vanquished their opponents 6-1, 6-3 and 6-0, 6-1. Blake, with consistent play, won in two sets, 2 and 2, while Magowan, playing another stiff match, overcame his adversary, 7-5, 5-7, 6-2. Herndon's dominating strength was apparent in his 6-1, 6-1 triumph. Tripp, making his debut in singles play, won in two sets, 2 and 1.

A disillusioned Mount Hermon team was the next to succumb to this momentous squad. Ogden, Simmons, Blake, Herndon and Felt each won quite handily, with DuBois turning in a commendable win, 6-1, 6-3.

In the eighth match, a strong Amherst contingent was bowed by a determined Green team. Simmons, resuming his number-one spot, took his contest, 2-6, 6-0, 6-4 against the 1955 Prep School Champion. Ogden triumphed without the loss of a game, while Blake, playing beautifully, lost to a very powerful opponent in three sets, 6-8, 6-4, 6-3. Herndon and Felt cleaned up in two sets each, 3, 2 and 2, 2 respectively. The indomitable duo of Simmons and Ogden maintained their record, outmaneuvering their competitors, 6-2, 6-1. Blake and Magowan subdued a strong Amherst team, 6-1, 6-4.

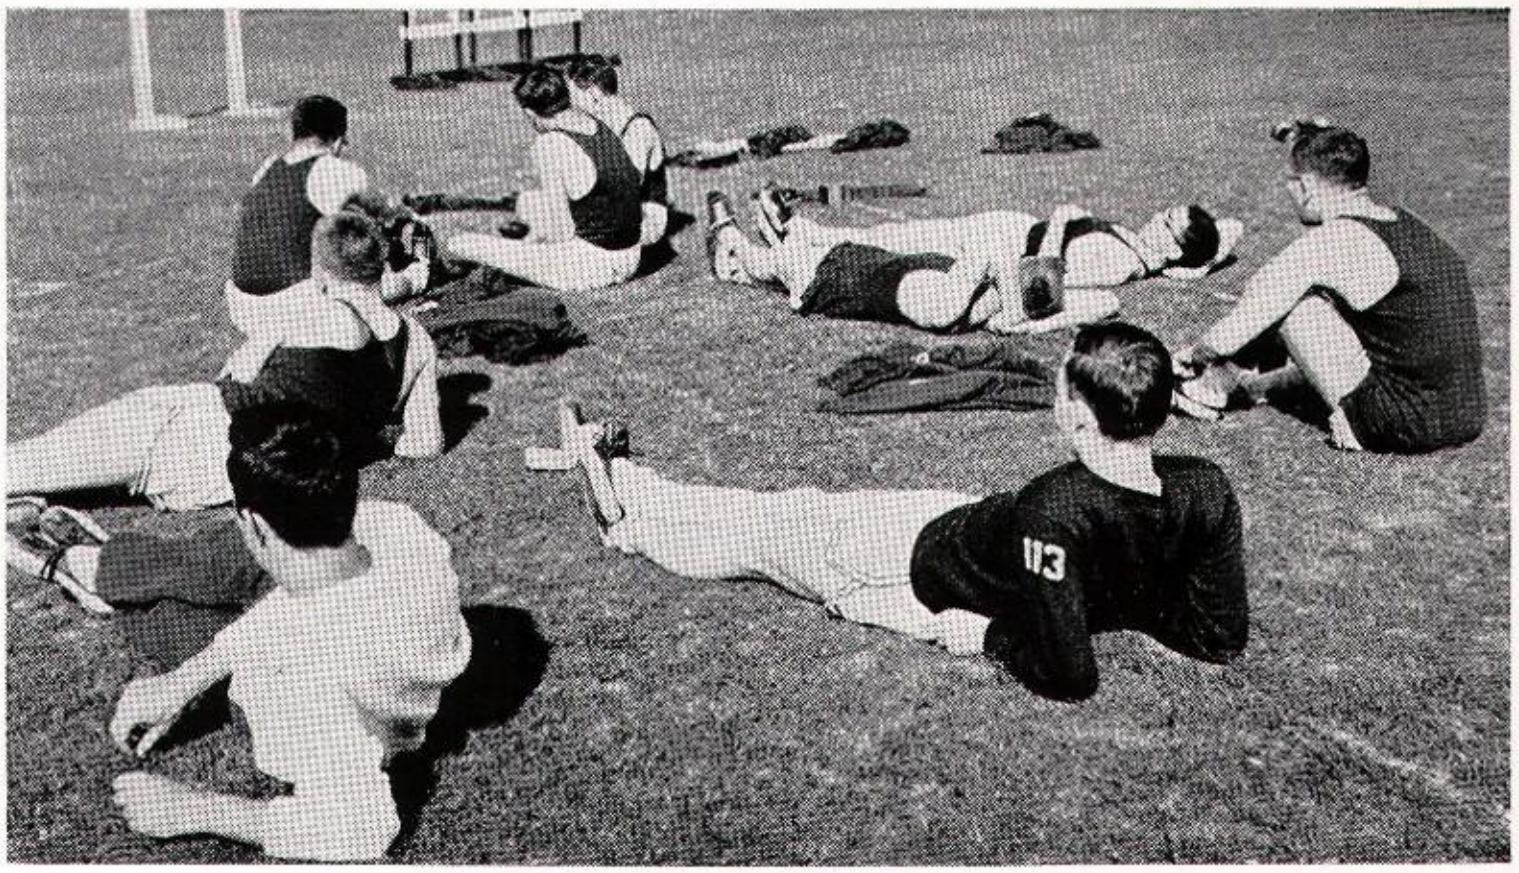
May	26	N. E. Championships at Amherst College*			

*Away



VARSITY TRACK

THE 1956 Varsity Track team proved to be one of the best teams that has ever been produced at Deerfield. With the nucleus of returning lettermen and a talented group of newcomers, this fine team has been formed under the able leadership of Messrs. Pidgeon, Dolph, Suitor, Hunt, Cook, and Wheeler. Unfortunately, there have been two drawbacks so far. The track has been in poor condition because of the floods last fall, and the weather during this term has been both rainy and cold. In Co-Captains Bob Hardy and Jack Nunn the team has two boys who are not only good track men but also able leaders.

The season's opener against Choate at Choate, after only two weeks of practice, showed the fighting spirit of the team. For years Choate squads have beaten Deerfield decisively, but this year a determined Deerfield team won by the score of 70½-46½. In the 120-yard high hurdles Ron Klinker placed first with the excellent time of 16.6 seconds, and the mile run was swept by the Green with Stan Thompson, Bill Tripp, and Brandy Harrison finishing in that order. The 440 was also swept by Joe Twichell, Karl Saeger, and Co-Captain Jack Nunn. First and second in the 220-yard low hurdles were taken by Allen Ward and Ron Klinker respectively. Bob Hardy and Jon Emerson placed first and third in the 880, while Joe Twichell and Don McPhee took the same two places in the 220-yard dash. In the field events, Choate swept both the shot and the discus, and Deerfield's Steve Jackson was first in the pole vault, while Allen Ward was second in the high jump. Hank Marquardt won the javelin and Don McPhee the broad jump.

The second meet of the season was on April 28. Deerfield came up against a strong Williams Freshman team who managed to edge the Green out by the small margin of 15 points, 66-51. In the 120-yard high hurdles Ron Klinker was first in 17.2 seconds. Allen Ward and Don McPhee placed in the 100-yard dash

taking the second and third spots, while Stan Thompson again was first in the mile. Allen Ward, Ron Klinker, and Steve Jackson managed to sweep the 220-yard low hurdles, and Co-Captain Bob Hardy was second in the 880. The 220 was swept by Williams. In the field events the visitors from Williamstown showed even more skill and proceeded to sweep the shot and the discus. Steve Jackson pole-vaulted to a first in that event, while Hank Marquardt, Brandy Harrison, and Warren Smith swept the javelin. The winning throw was 157 feet 5 inches. In the broad jump, McPhee and Lipscomb placed second and third.

Cheshire Academy traveled to Deerfield for the third meet of the year. The home squad handed them an admirable defeat, especially in the running events. Ron Klinker won the 120-yard high hurdles, Stan Thompson took the mile, and Joe Twichell, along with Karl Saeger, tied for first in the 440. The 220 lows were taken by Allen Ward, while Bob Hardy won the 880. In the field events, Cheshire fared a little better and the only Green firsts were in the pole vault and the broad jump. Steve Jackson and Don McPhee won those two. Final score, 76-46.

Deerfield won the triangle meet against Loomis and Williston, with a score of 76 1/6 to Loomis's 46 1/3 and Williston's 26½. Ron Klinker won the 70-yard high hurdles, and Don McPhee won the 100-yard dash. Stan Thompson took the mile, while Karl Saeger ran a hard 440 to place first. Other Deerfield firsts were taken by Allen Ward in the 120 lows, Bob Hardy in the 880, Steve Jackson in the pole vault, and Don McPhee in the broad jump.

With three remaining meets against Mount Hermon, Vermont, and in the New England Interscholastics, the season gives every indication of being successful.

The Chemical Industry has grown faster than you have

And when you're 37, the chemical industry will be *five times* larger than it is today!

That's because this new giant gets its vitamins from chemical research, from men in laboratories who turn ideas into new or improved products and processes.

No industry spends a bigger share of its earnings on research. No industry realizes more thoroughly that this year's research creates next year's jobs, comforts and industrial profits.

Research is the cornerstone of progress. Plastics, detergents, synthetic fibers, antibiotics, aerosols, weedkillers, insecticides—all were graduated during your lifetime from laboratory test tubes to everyday realities. Yet they are merely stepping stones to the achievements of industrial chemistry *tomorrow!*

Career opportunities in this fast-growing industry open wider each year. Now is the time to think over the possibilities a chemical career holds for you!

A Book To Be Treasured . . .

This annual is a permanent record, in picture and prose, of the academic year 1955-1956 at Deerfield Academy. Its value will increase as the years pass, and the quality of the printing will contribute in great measure to its lasting worth.

The Andover Press, Ltd., takes pride in its well-known craftsmanship which, combined with the long hours of careful planning and painstaking editorial work by the POCUM-TUCK Staff, makes this a book to be treasured.

The ANDOVER PRESS, *Ltd.*

ANDOVER, MASSACHUSETTS
